## What is responsibility?

Being responsible means you do the things you are expected to do and accept the consequences (results) of your actions.

For each situation, answer the questions about whether the person acted responsibly.	
1 Sarah is in 5th grade. She is expected	What was Sarah's responsibility?
to meet her little sister at the front of	What was salaris responsibility.
the school right after school to walk home with her. Sarah's friend wanted her to	Was she being responsible?
	was she being responsible:
play on the playground for a minute after	What are some possible consequences (results) of her actions?
school. Before she knew it, 30 minutes had	What are some possible consequences (results) of her decions.
passed.	
Carlos was playing socsar at the park	What was Carles' responsibility?
2 Carlos was playing soccer at the park with some friends. His mom said to be	What was Carlos' responsibility?
	Was he being responsible?
home by 6:00 for dinner. At 5:55 Carlos'	was the being responsible:
friends wanted to play just one more	What are some possible consequences (results) of his actions?
game, but he knew if he didn't go home	what are some possible consequences (results) of his actions:
then, he wouldn't make it home by 6. Carlos walked home.	
Carlos warked nome.
